

My Favourite Words (F-Words) Life Wheel: A Coaching Approach

My Favourite Words (F-Words) Life Wheel is an interviewing and coaching approach to facilitate connection and goal setting for children and their families, caregivers and educators.

Developed by Arul Hamill and Lucy Charles, Occupational Therapists (Paediatric Occupational Therapy & Physiotherapy Aotearoa, New Zealand) in collaboration with CanChild Canada, the F-Words life wheel evolved from CanChild's Favourite Words 'F-Words in Child Development' based on the International Classification of Functioning, Disability and Health (ICF) which focuses on six key areas of child development.
